

Danvers Electric Division

Heat Pump (Ducted or Ductless mini-split) \$250 or \$500 Central AC \$115

DED is pleased to offer rebates for qualified ducted and ductless (mini-split) heat pumps and central A/C systems. Please read the terms and conditions below to ensure that you qualify for a rebate.

Eligibility Requirements & Restrictions:

- Rebates are issued per outdoor unit, not indoor unit. Maximum rebate allowed is \$2000. Processing time is 8-10 weeks.
 - Applications require a copy of your installer invoice, which must include an itemized list of units installed, model numbers, SEER rating, and HSPF rating. You must also include photos of all units installed. Incomplete applications will add 4-6 weeks to the 8-10 week processing time.
 - Appliance purchase must be within 1/1/19 - 12/31/19. Applications must be submitted by 1/31/20.
 - Offer is subject to funding and can expire at any time. DED can also terminate the program at any time.
 - Appliance must be installed at service address location.
 - Danvers Electric Division does not warrant, endorse or assume liability for the quality, performance, or safety of the contractor, retailer and/or wholesaler or performance of any appliance or fixture. Responsibility for choosing the product is solely the applicant's. Licensed, insured, qualified installations only. The town of Danvers assumes no liability for installation.
 - The heat pump rebate is tiered at \$250 or \$500 per outdoor system, depending SEER and HSPF ratings. Central AC is \$115 per outdoor unit(s). See next page for rebate amounts and requirements.
